Who Should Attend: This session is designed for SLPs, OTs, Sp. Ed. Teachers, PTs, and Social Workers.

What Is It? What if you had a framework designed to strategically and systematically implement language and AAC? Would you say "Priceless"? This presentation will provide a model that establishes shared knowledge, creates a communication mindset and applies 4 powerful implementation strategies: core vocabulary, aided language input, vocabulary instruction and shared reading within a robust communication environment where opportunities abound. Videos, field tested self-assessments, artifacts and resources will be shared. A follow-up webinar will be scheduled with Marlene for you to review and ask questions. Date of webinar TBD.

Financial Disclosure: Marlene Cummings is being paid an honorarium and travel expenses for this presentation. Non-Financial Disclosure: Marlene Cummings has no relevant nonfinancial relationships.

Outcomes

Participants will be able to:

- Be able to name 4 implementation strategies to support AAC and Language.
- Be able to describe core vocabulary and its application in AAC.
- Describe 2 components of vocabulary instruction.
- Be able to share two characteristics of shared reading.
