

2016-2017 Informational “Tours Around Town”

Informational Tours are designed to give families an overview of creative adult programming, residential models and employment options both in our area and in surrounding communities. It is our hope that these tours will show not only what is currently available but also inspire with what is possible. To attend any of our tours, **please reserve your spot by emailing your name, phone number, and whether you are a parent, educator or service provider to ConnectToCommunityInc@gmail.com**. Opportunities to carpool will be available.
