

Dear Parents,

Our district is part of a coalition for assistive technology for students. It is called the Infinitec Coalition and is a joint program between school districts and United Cerebral Palsy of Chicago.

This year we are participating in the Annual Infinitec North Technology Achievement Awards. These awards will recognize and honor students who have demonstrated outstanding achievement using technology. The winners will be recognized at a banquet on April 20, 2017 in Palatine, Illinois. I would like to nominate your child, \_\_\_\_\_, for consideration for this honor. I would submit your child's name, address, phone, digital photo and school information to the coalition for consideration for this award, with your permission.

If you will give your permission for this submission, please sign and return the bottom of this letter to me by \_\_\_\_\_.

Sincerely,
