- Board Strategic Priority 3 – IEP Best Practices: NSSEO will redefine a high-quality IEP process based upon a person-centered philosophy designed to support the students' progression toward identified post-secondary outcomes.

Further alignment, refinement and articulation of these board goals will occur at the program and professional levels and will be addressed and reported on at monthly NSSEO Governing Board meetings.

The need for an additional .20 FTE Vision/O&M Teacher is needed to provide these services. The cost for these services would be a direct bill to District 21.

It was moved by Anna Klimkowicz and seconded by Alva Kreutzer to approve the request for an additional .20 FTE Vision/O&M Teacher at DESC for the 2017-2018 school year. On roll call vote – Ayes: Krinsky, Kreutzer, Johannesen, Botwinski, McAtee and Klimkowicz. Nays: None.

## NSSEO BUSINESS DEPARTMENT UPDATE

Julie Jilek stated the Foundation members have held strategic planning meetings over the summer to plan out the upcoming year. The Foundation is planning to repeat successful fundraisers such as the family magic show, the arts and crafts fair, Danish Kringle sale, etc., to help support NSSEO's goals. The Foundation is also focused on building relationships within our surrounding communities.

### FACILITY UPDATE

Julie Jilek stated that the Facility Planning Committee met on August 2, 2017. The focus of the meeting was the Timber Ridge gym/elevator project; review of draft site plans; update on zoning process; and discussion on RFQ for Construction Management. ## RECAP OF ANNUAL ACCOUNTING FOR BUILDING IMPROVEMENTS

Julie Jilek presented a recap of the building improvement ledger deductions from FY95-96 through FY15-16 for District #15 and District #54 by property. The withdrawal agreements structured for Districts #54 and #15 agreed on a percentage share of the properties owned by the coop. Building improvement ledgers have been kept to track building improvements or substantial maintenance and will be applied against a former member's equity position in the event a property is sold.

ANNUAL ACCOUNTING FOR BUILDING IMPROVEMENTS

Julie Jilek stated that the withdrawal agreements structured for Districts 54 and 15 established relative equity positions for all districts, the remaining eight as well as the departing two. It was further agreed that since the continuing districts are to be responsible for the maintenance and improvement of NSSEO properties, and that a district leaving the cooperative would not share that maintenance burden, that any building improvements or substantial maintenance would be applied against a former member's equity position in the event a property were to be sold.

The procedures approved at the July 5, 1995 board meeting call for an annual review in August of building improvements from the prior fiscal year, review by the board, and notification sent to the departed districts.

It was moved by Anna Klimkowicz and seconded by Alva Kreutzer to approve the accounting of building improvements for FY 2016-2017 at the Kirk, Gillet and Administration building properties. On roll call vote - Ayes: Kreutzer, Klimkowicz, Krinsky, Johannesen, McAtee and Botwinski. Nays: None.
